Smt. Paramjit Kaur Sabharwal
195, Ground Floor & First Floor,
Jor Bagh, New Delhi-110003

Subject:- Sanction of Grid Connected Net Metering of Roof Top Solar Power Plant, Capacity 6 KWp, Installed at Roof Top of 195, Jor Bagh, New Delhi

Name of Electricity Consumer:- Smt. Paramjit Kaur Sabharwal, C.A. No. 29000000487, K. No. K185077

Sir,

With reference to your application for the subject cited matter, it is to inform that the Net Metering feasibility for renewable energy source of Solar Power Plant 6 KWp capacity has been accepted at Roof Top of 195, Jor Bagh, New Delhi under Domestic Category on the basis of requisite documents & fees deposited as under.

- Approved renewable generation capacity (peak) of Solar Power Plant 6 KWp.
- Reference of processing fee of Rs. 500/- deposited through Challan No. 206754855 dated 3.5.2024.
- Reference of registration fee of Rs. 1000/- Challan No. 206759878 dt. 24.6.2024

The sanction of renewable energy source of Solar System is on the following conditions.

- There would be no voltage fluctuation on account of integration of Solar Power in NDMC system.
- There would be no introduction of harmonics in the system.
- The supply system would remain stable with integration of Solar Power.
- That Solar Project is installed confirming to DERC/CEA guidelines and meet all regulatory requirements. In case any disturbance are caused in the supply system due to poor workmanship/quality in the Solar Power Plant, NDMC shall not be held responsible.
- The earthing result of Solar Plant should be within limit.

The installed Solar Power system is technically suitable for "Net Metering" in NDMC supply grid to Import and Export the power supply through the existing LT network as approved by the competent authority.

You are therefore, requested to please contact in the office of AEE (Meter): Gole Market, Shaheed Bhagat Singh Place, New Delhi for installation of Net Meter after completing the further formalities in their office.

(Er. Sundeep Gaur)
Executive Engineer (E) D/S
