1. **Name of the Subject/project:** Adoption of Recruitment Rules for the post of PGTs/Lecturers(Various Subjects) , TGTs (various subjects) and Asstt. Teachers (Primary) working in NDMC Schools.
2. **Name of the deptt./deptts. concerned :** Education Department.
3. **Brief history of the subject/project:** NDMC has been following the RR's of Education department of Govt. of NCT Delhi. Now there is some variation in these RR's, so the department is seeking the approval of the Council to adopt the latest RR's as per Govt. of Delhi.
4. **Detailed History of the project/subject:** NDMC follows the Rules and Regulations framed and implemented by the Education Deptt. of Govt. of NCT of Delhi. The Schools run by NDMC follow the Delhi School Manual and Notifications issued by Govt. of NCT of Delhi from time to time. The Recruitment Rules (RRs) for different categories of teachers framed/implemented by the Education Deptt. of Govt. of NCT of Delhi have been adopted and implemented in NDMC by way of a decision of the Council. Now it has been felt that in the recent years, there have been few Amendments brought out by Govt. of Delhi which have modified the RRs of some categories of teachers. Hence it is necessary for NDMC to adopt the latest RRs as in vogue in Education Deptt. of GNCT of Delhi at present for various categories of teachers working in education department. The comparative statement of Recruitment Rules presently being followed by NDMC with Recruitment Rules of Govt. of NCT of Delhi, presently being followed, are appended herewith for ready reference (**Annexure I to XII**) (**See pages 47 - 69**). The Recruitment Rules shall be notified by NDMC once the same are approved by the Council.
5. **Financial implications of the proposed/subject:** No Financial implication, involved in this case.
6. **Implementation schedule with timeliness for each stage including internal processing :** Shall be implemented immediately after having got the approval of the Council.

8. **Comments of the Deptt. on comments of Finance Deptt. :** No comments.
9. **Legal implication of the subject/project:** Advice of Law and Consultant (RR Cell) has been sought.
10. **Comments of the Law deptt./RR Cell on the subject:** It is suggested that we may get the revised RR's approved by the Council and then refer them to UPSC under section 43(2). After such approval, we may make Ad- hoc minimum

promotions for various posts to fill the existing vacancies in the interest of students, initially for a period of six months extendable for another six months by the Appointing Authority. In the meantime consultation with UPSC, approval of Central Govt. & publications of RRs in Delhi Gazette may be expedited so that all these formalities are completed within one year.

11. Comments of the Deptt. on comments of Law Deptt. : Agreed

12. Details of previous Council Resolutions, existing law of Parliament and Assembly on the subject : Nil

13. Recommendation:

It is recommended that amendment in Recruitment Rules for the post of PGTs/Lecturers (Various Subjects) , TGTs (various subjects) and Asstt. Teachers (Primary) working in NDMC Schools be approved.

Also all future notifications/amendments of GNCT Delhi on the subject may be considered automatically implemented/adopted in NDMC.

14. Draft Resolution :

Also all future notifications/amendment of GNCT Delhi on the subject may be considered automatically implemented/adopted in NDMC.

COUNCIL'S DECISION

Resolved by the Council to adopt the Recruitment Rules (as per details mentioned in the Annexures I to XII of the preamble), as being followed in Education Deptt. of GNCT of Delhi, for Recruitment in NDMC Schools to the posts of PGT / Lecturer (various subjects), TGT (various subjects) and Asstt. Teachers (Primary), subject to the condition that relaxation in age limit provided in the RRs of GNCT of Delhi for employees of Delhi Administration / Govt. Employees shall be read as "Employees of NDMC" while applying the RRs in NDMC.

It was further resolved that Education Deptt. shall take immediate action for obtaining approval of Central Govt., in consultation with UPSC, for adoption of these RRs in NDMC and thereafter for notification of the RRs in Delhi Gazette. It was also resolved that all future notifications / amendments of GNCT of Delhi on the subject will stand adopted automatically in NDMC.

The Council noted that a large number of posts of Teachers remained unfilled in NDMC schools thereby affecting the education of the students leading to poor results. The department should, therefore, take immediate steps to fill up the vacant posts on adhoc promotion basis or contract basis, whichever is applicable, initially for a period of six months with a view to improve the results as well as educational environment for better performance by the students.

However, the posts were initially filled up on contract basis as per the draft RRs (**Annexure I See page 328**) and after decision of the Council to outsource the Computer education in the schools, teachers provided by M/s NIIT are presently teaching the subject in schools.
- (k) Recruitments Regulations for the post of TGT (Computers Science) were approved by the Chairman/Council. The posts were initially filled up on contract basis as per the said RRs (**Annexure II See page 329**) and after decision of the Council to outsource the Computer education in the schools, teachers provided by M/s NIIT are presently teaching the subject in schools.

4. Detailed proposal on the subject/ project:

- a) A huge investment in the shape of improvement in physical infrastructure is being made by the Engineering Departments and on computer hardware by the IT Department. In order to effectively utilize the same for the benefit of the student community, it is imperative that a permanent cadre of trained manpower is created at the school level. This is also needed subsequent to withdrawal of manpower provided by M/s Computer Clinic at the school level. This is required for effective communication with the Headquarter. Implementation of the Education Integration Project (EIP) project and in order to provide requisite information/ data to CBSE etc., it is, therefore, proposed to create at least one post of Computer Lab Asstt./IT Assistant in all independent schools. The post is proposed to be created in pay scale of Rs. 5200-20200 plus Grade pay of Rs.2800. The

proposed financial implication of creation of 40 posts of Computer Lab/IT Assistant is estimated to be about Rs. 1,14,64,800/-.

- b) It is proposed that the permanent cadre for computer teaching at TGT /PGT level be created instead of outsourcing the teaching to private organizations. 10 posts of TGT (Computer Science) in the pay scale of Rs.9300-34800/- plus Grade pay of Rs.4600/- are required to be created [11 posts of TGT (Comp. Sc.) already exist]. The proposed financial implication of creation of 10 posts of TGT (Computer Science) is estimated to be about Rs. 41,70,120/- per annum.
- c) No new posts of Assistant Teachers are proposed to be created. As the Computer Labs are being established in Primary Schools, it is proposed that the existing Assistant Teachers be assigned the work of teaching computer subject at Primary level, after imparting necessary training to them. The teachers, to be trained will be identified and they will be imparted training and compensated suitably.
- d) The creation of the posts would imply that each independent senior secondary school will have a Lecturer, a TGT and a Computer Lab/ IT Assistant, while each independent secondary/ middle school will have a TGT and a Computer Lab/ IT Assistant and each independent primary school will have a Computer Lab/ IT Assistant. The Lab Assistant/ IT Assistant will also provide IT support to the Head of school in addition to be responsible for computer labs.
- e) The RRs for the post of TGT (Computer Science) & Lecturer (Informatics Practices/Computer Science) are prepared on the basis of the qualification prescribed by CBSE for Computer related subjects & are placed at Annexure III and Annexure IV (See pages 330 - 332) respectively.
