

Revenue & Power Department

Sub: Power Purchase Adjustment Charges – Regarding.

On the basis of PPAC formula approved by the Commission, PPAC for the the 4th Quarter of the FY 2019-20 i.e. from January 2020 to March 2020 has been worked out and comes out to 15.07%.

As per Business Plan Regulations-2017, "In case PPAC exceeds 5% for any quarter, the Distribution Licensee may levy 4.50% PPAC without going through the regulatory proceedings and shall file an application for prior approval of the Commission for differential PPAC claim (Actual PPAC % - 4.50%)" [Point No. 4 (b), Pg-21 of Business Plan Regulation 2017]. However, this computation of PPAC is to be first uploaded on Discom's website before it is levied (Point No. 5, Pg-21 of Business Plan Regulation 2017).

DERC has been intimated as required under Business Plan Regulations-2017. Commercial Department may kindly be asked to:

- a) Ensure that PPAC computation is first uploaded on NDMC website (copy attached).
- b) Levy 4.50% PPAC worked out for the 4th Quarter of the FY 2019-20 i.e. from January 2020 to March 2020 in Consumer's Electricity Bills as per provisions in Business Plan Regulation-2017 of DERC under intimation to Power Division.
