Framing/amendment of Recruitment Regulations for the posts of Computer Lab/IT Assistant, TGT (Computer Science) & Lecturer (Informatics Practices/Computer Science).

Name of the department/ departments concerned:

Education Department

Brief history of the subject/ project:

(a) In order to introduce computers at school level, a Centrally Sponsored Scheme under the name "CLASS PROJECT" was launched by Govt. of India, which was adopted by Delhi Govt. for its schools. Under the scheme, 5 NDMC schools were taken up. Under this project BBC computers in all 5 schools were supplied by Delhi Govt. through M/s Micro Computer India Pvt. Ltd. The software & 05 teachers were also supplied by the organization. However, the salary for the teachers/instructors was paid by NDMC. This project continued from the year 1991 to 1995.

(b) During the year 1993, an Information Communication Technology (ICT) programme as per CBSE/NCERT guidelines was introduced in NDMC schools. Computer labs in all NDMC Schools have been established by renovating the existing class rooms. Initially, Software from M/s NIIT (Leda Project) and software from M/s Jiva were procured by NDMC. Teachers (TGT's) to teach computer education were hired on contract basis. Since, computer literate professionals were in demand in the market; there was a high attrition rate of teachers due to which continuity of teaching could not be maintained by the department.

(c) Council vide its Resolution No.VII (M-3) dated 19.09.07 permitted outsourcing for leasing of supply, installation & commissioning for new Computer Systems, peripherals & provision of one IT Assistant. Accordingly, agreement was signed with M/s Computer Clinic on 11th December, 2007 for leasing of supply, installation, commissioning of Computer systems and provision of IT Assistant in 46 NDMC school building for a period of 4 years. After completion of the duration of the project, the hardware/manpower provided by the organization has been withdrawn from the schools.

(d) Council vide its subsequent Resolution No.07 (M-4) dated 16.07.2008 accepted the tender of M/s NIIT Ltd. for the work of "Provision for Leasing of Computer Hardware & connected accessories in 9 NDMC/Navyug Labs and outsourcing of teaching of Computer Science, Informatics Practices at +2 level & awareness cum literacy of Computers in class V to class X in NDMC/Navyug Schools for a period of four years commencing from the academic year 2008-09. The term of the project would be over by the end of the academic session 2011-12.

(e) The council vide its subsequent Resolution No. 01 (M-51) dated 16.06.2010 approved the proposal of IT Department for implementation of 'Educational Integration Project' in NDMC Schools through e-CSI. The objectives are to improve operational efficiencies, ensuring effective utilization of resources and developing appropriate bases for planning future goals.
