VIGILANCE AWARENESS WEEK
31st Oct., to 6th Nov.2022

MESSAGE

Dear Colleagues

Fight against corruption requires involvement of all citizens and stake holders. The observance of the Vigilance Awareness Week (VAW) every year is a reminder to be constantly vigilant in our endeavors to weed out corrupt practices and to reiterate our commitment to being accountable and transparent. This year the Central Vigilance Commission is celebrating VAW from 31st Oct. to 6th Nov.2022 on the theme:

“Corruption free India for a developed Nation”

We all know that corruption is a hindrance to good governance and to the development of the Nation to its full potential. Transparency and efficiency both are integral to preventive Vigilance and when adopted in behavioral practices by Organizations, they successfully establish the credentials of the Organization as an efficient and honest one. Let us, therefore, strive to be committed to work towards making NDMC a corruption free organization.

Let us also resolve to be vigilant in our actions, in our functioning and imbibe internally the motto that only when we are corruption free will the Nation be developed.
